## DESCRIPTION

The Afrique chair collection stands out for its modern and minimalist design, enhanced by a visible steel frame that accentuates its contemporary and industrial character. The sleek and clean lines give the chair a subtle elegance, making it perfect for semi-executive spaces, meeting rooms, and waiting areas. The breathable mesh upholstery, which wraps around the monocoque structure, represents the perfect balance between aesthetics and functionality. The mesh not only gives the chair a modern and lightweight appearance but also ensures superior breathability, making it ideal for prolonged and comfortable use in any work environment. Thanks to the combination of innovative materials and a sturdy structure, these chairs are perfect for those seeking furnishing solutions that blend style and performance. Versatile and functional, they adapt to modern spaces, offering a comfortable and ventilated seating experience that adds a touch of class and modernity to any professional setting.
