

## DESCRIPTION

The Auris chair collection, entirely made of plastic material, stands out for its contemporary and enveloping lines, making it the perfect complement for furnishing multitasking spaces and smart offices. Their versatility allows them to blend seamlessly into modern professional environments where functionality and style must coexist. The multiple base options, including four legs, a swivel base, and a conical base, expand the possibilities for customization, allowing for aesthetic and functional combinations suited to different needs. Whether in flexible workspaces, meeting rooms, or waiting areas, these chairs provide a practical and stylish solution, ensuring a perfect balance of comfort, aesthetics, and practicality.
