DESCRIPTION

The Browser task chair is available with an ergonomic backrest, which can be chosen in breathable, self-supporting mesh or upholstered, both options featuring a minimalist lumbar support with an exclusive design. For even greater comfort, the high-back version is enhanced with a practical headrest, designed for those who need extra support during long workdays.

Designed to seamlessly fit into any professional setting, from modern workstations to more traditional environments, the Browser chair represents a complete and reliable solution for operational seating. Its versatile aesthetics and advanced functionality make it the ideal choice for those seeking comfort, style, and durability in their workspace.
