DESCRIPTION

The Cubo sofa and armchair family, characterized by its timeless geometry, combines elegance and functionality. The chrome-finished feet enhance the lightness of the support, creating a floating effect that adds a touch of modernity and sophistication to any space. The solid internal wooden structure ensures durability and strength, while the high-density expanded resin padding provides a compact and comfortable seat. The versatility of the design allows these sofas and armchairs to be easily integrated into various settings, making them ideal for furnishing prestigious spaces such as hotel lobbies, waiting areas, and executive offices.
