1IM (su  
richiesta)

DESCRIPTION

Every detail has been carefully crafted to create these elegant and functional seats, distinguished by their minimal thickness, which does not compromise maximum comfort, ensuring a pleasant seating experience even for prolonged periods. The two types of bases – conical steel and five-star – allow the Egg chair to furnish waiting areas and meeting rooms in a comfortable and welcoming way. The conical steel base gives a modern and sophisticated look, making it perfect for contemporary and design-oriented spaces. The five-star base offers superior stability and greater mobility, making it ideal for dynamic and flexible environments.
