DESCRIPTION

With a fully upholstered backrest, the Italians Lesac seating collection stands out for its essential design and squared shapes, giving it a timeless elegance. Designed to transform the office into an authentic expression of identity and personality, these chairs perfectly combine style and functionality. Every detail has been carefully crafted, with clean and sharp lines that enhance simplicity and refinement, making these chairs ideal for those seeking sophisticated yet practical furnishings. The variety of available configurations allows for diverse needs to be met, always providing comfort and support without compromising aesthetics. Thanks to their versatility, these chairs enrich any professional setting with understated elegance and character, making them a distinctive element in any workspace.
