DESCRIPTION

The Juno armchairs, available with white or black plastic finishes, feature a black mesh backrest that perfectly complements the numerous upholstery options available in the fabric catalog. This allows for customized combinations that meet both aesthetic and functional needs. The extensive range of bases, including fixed and swivel variants, with or without wheels, expands the usability of these armchairs. Thanks to these options, they can be easily integrated into different furnishing configurations, enhancing their versatility and adaptability to various settings such as offices, meeting rooms, and public spaces.
