DESCRIPTION

The Lacan chair stands out for its cutting-edge design and high aesthetic potential, making it ideal for the home office. Available in two versions – with a dual mesh backrest for superior lumbar support or with a smooth mesh backrest – it offers optimal ergonomic comfort, making it the perfect choice for those working from home. The structure, made of plastic material, is available in tone-on-tone shades matching the mesh and fabric upholstery, creating a harmonious and contemporary effect. Lacan excels for its excellent quality-price ratio, providing high-level ergonomic performance without compromising on style. A modern and functional solution for those who want to combine aesthetics and comfort in a home workspace.
