

DESCRIPTION

Levita is a semi-executive chair designed for those seeking the perfect balance between elegance and comfort. Its slim-profile padding, made from high-quality materials, ensures optimal support without compromising the lightness of its lines. The refined design, characterized by fluid and harmonious shapes, makes it an ideal choice for workspaces that prioritize a contemporary and sophisticated style. Equipped with advanced ergonomics, Levita provides effective support for long working sessions, helping to maintain correct posture and reduce fatigue. Thanks to its high performance and meticulous attention to detail, this chair fits perfectly into executive offices, meeting rooms, or modern spaces requiring functional and innovative furnishing solutions. Levita is not just a chair, but a design element that enhances any environment, combining practicality, aesthetics, and comfort that can be felt with every use.
