

DESCRIPTION

The Mini task chair stands out for its essential and refined design, featuring a slim ergonomic backrest that ensures visual lightness without compromising lumbar support. Its sleek and harmonious lines make it perfect for modern and dynamic work environments. A distinctive element is the minimalist connection blade, which allows the user to easily adjust the backrest height using a discreet and intuitive retractable lever. Equipped with a synchronized mechanism, Mini offers all the necessary adjustments to meet various ergonomic needs, ensuring optimal comfort and support throughout the workday. Perfect for those seeking a functional and modern task chair, this model combines practicality and aesthetics, catering to professionals who prioritize both style and well-being.
