DESCRIPTION

The Omega bench stands out for its versatility and elegant design, making it suitable for a wide range of professional needs. Available with nylon or brushed aluminum legs, it offers configurations designed to accommodate any setting, from large waiting areas such as airports and stations to modern and functional reception spaces. Designed for maximum practicality, Omega is available in a visible plastic version or can be customized with the addition of a mesh backrest or full seat upholstery. This flexibility allows it to seamlessly integrate into any environment, combining contemporary aesthetics with ergonomic comfort. Thanks to its solid construction and the wide range of available finishes, the Omega bench is the ideal solution for those seeking durable, functional, and refined furniture capable of meeting the demands of high-traffic spaces.
