

DESCRIPTION

The OP task chair is designed to provide a customizable and comfortable seating experience. Equipped with a permanent-contact mechanism, it allows the backrest to be adjusted to perfectly suit the needs of each user, ensuring optimal ergonomic support. The nylon swivel base ensures stability and practicality, while the height-adjustable armrests add an extra level of comfort, promoting a correct posture during prolonged use. Ideal for offices and high-intensity work environments, the OP chair combines functional design with advanced ergonomics, making it an excellent choice for those seeking quality and well-being throughout the workday.
