

DESCRIPTION

Thanks to its compact dimensions, the OVI task chair offers a versatile solution that easily adapts to different workspaces without ever compromising on comfort and ergonomics. Its slim and refined design ensures visual lightness, while the breathable mesh backrest provides excellent ventilation for a constant feeling of freshness. Equipped with all the necessary adjustments for all-day comfort, it allows users to experience workspaces in a simple and efficient way. For even greater comfort, an optional headrest can be added, making OVI a flexible and customizable choice, perfect for modern operational environments that require functionality, style, and practicality.
