## DESCRIPTION

The PLUS bench is designed to adapt to various needs thanks to its modular configurations, available with 2, 3, or 4 seats, with the option to integrate a practical side table. The colored plastic shell gives it a vibrant and modern look, while the upholstered seat option ensures superior comfort for environments that require optimal hospitality. Ideal for waiting areas and communal spaces, the PLUS bench stands out for its versatility, durability, and practicality. Its compact dimensions allow for space optimization without compromising functionality, making it a perfect choice for professional and community settings that require practical yet well-designed furnishings.
