

DESCRIPTION

Plus combines a simple and linear shell with a variety of frames in different colors, creating a family of versatile and multi-purpose seating solutions. Configurable with or without armrests, these chairs offer maximum stackability, optimizing space when not in use. Additionally, they can be equipped with practical linking devices or an anti-panic writing tablet, making them highly functional for various needs. The design of Plus is both original and refined, making these chairs ideal for a wide range of environments, from contract settings to modern offices and even home spaces.
