DESCRIPTION

Characterized by a wide, single-shell structure made of multi-layered wood, upholstered and covered in fine fabrics or premium leather, this chair represents the perfect synthesis of comfort and elegance. Ideal for classic yet sophisticated executive offices, it effortlessly adapts to different styles and furnishing contexts. The collection offers various finishing options to meet every aesthetic need: the version with nylon details lends itself to a simple and modern style, while the variant with dark walnut wood finishes adds a touch of refinement, ideal for more understated and elegant environments. Available in a high-back version, perfect for executive use, as well as a low-back or sled-base version designed to welcome visitors with style, this seating family stands out for its versatility and its ability to enhance any professional space with personality and class.
