DESCRIPTION

This collection of upholstered seating has been designed for those seeking the perfect balance between comfort, style, and versatility in executive environments. Each seat is made with a wide monocoque structure, fully padded and upholstered with fine fabrics or leathers, providing a sophisticated appearance and exceptional comfort. The available finishes allow the chair to be adapted to different styles and interior settings. Nylon finishes: Ideal for those who prefer a simple and clean style, these finishes give the seat a contemporary, essential yet professional look. Chrome finishes: For those desiring a more modern and refined touch, chrome finishes offer a glossy and appealing appearance, making these seats perfect for representative offices that focus on innovative design. Wood finishes: If a more classic and traditional environment is preferred, wood finishes add warmth and prestige, combining the beauty of natural materials with the sturdiness of the structure.

WEIGHT AND WARRANTY

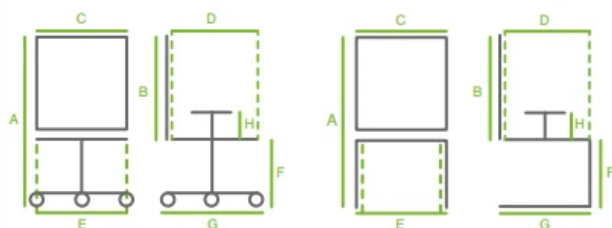

110
KG

5
YEARS

Considering the maximum weight recommended by ITALIAN SEDIOLITI. For warranty conditions, please refer to the general sales conditions at the beginning of the list.

THE PHOTO MAY INCLUDE OPTIONAL
