## DESCRIPTION

The Tendence synchronized stool collection, available with a breathable mesh or upholstered backrest, is designed to meet the needs of technical applications and height-adjustable office tables. Perfect for intensive use, these stools offer all the necessary adjustments to ensure comfort and support throughout the entire workday. Thanks to the ergonomic design and advanced features, they provide an optimal seating experience, promoting correct posture and increasing productivity. Made with robust, high-quality materials, Tendence stools stand out for their reliability, versatility, and ability to adapt to various professional environments. Ideal for those looking for a solution that combines high performance and superior comfort, these stools are the perfect choice for modern offices and cutting-edge technical workspaces.
