del 2008

DESCRIPTION

A collection of multi-purpose stools, perfect for technical, laboratory, and medical applications, as well as for height-adjustable office tables. The minimalist design, combined with a reduced footprint, makes them extremely versatile and suitable for various work environments. These stools are designed to provide superior comfort with their ergonomic seat, while the high-quality materials ensure robustness and durability over time. Customizable adjustments allow the stools to be tailored to the specific needs of users, enhancing functionality and efficiency in every professional setting.
