

DESCRIPTION

Shell has been designed to be a versatile solution, suitable for a wide range of contexts and uses. The comfort of the monocoque integrates perfectly with three different base types, expanding the seating possibilities and making it suitable for every furniture need. The cushion adds a touch of color, increasing aesthetic combinations and offering further customization options. Shell represents the ideal solution for those looking for seating that combines practicality, versatility, and modern design, perfectly adapting to various environments, from public spaces to professional settings.
