

DESCRIPTION

A timeless classic in the world of ergonomic mesh seating, the Simplemesh chair maintains its rounded and soft lines that give it an elegant appearance, while the height-adjustable lumbar support ensures maximum personalized comfort. The chair can be further enhanced with the addition of a headrest, offering full and versatile support. Equipped with all the necessary adjustments for ergonomic comfort, Simplemesh stands out for its simplicity and functionality, making it the perfect choice for those looking for essential performance without sacrificing style. Ideal for modern operational environments, this chair combines comfort, practicality, and a design that easily adapts to various needs.
