

## DESCRIPTION

Sydney represents the ideal solution for those seeking a seat that combines practicality, versatility, and modern design, perfectly adapting to various contexts, from public spaces to professional environments. The robustness of the metal frame ensures durability and strength, while the ergonomic design of the monocoque provides superior comfort even during long sessions. Its unique frame guarantees unparalleled stackability, optimizing space when not in use. The configuration with visible plastics is ideal for healthcare environments, as it allows for easy sanitation while maintaining high hygiene standards.
