THE PHOTO MAY INCLUDE OPTIONAL

DESCRIPTION

The seat and backrest are entirely made of mesh, a material chosen to ensure exceptional breathability throughout the entire workday. The modern and minimalist design, characterized by fluid and lightweight lines, gives the chair an elegant and futuristic appearance. Each element has been meticulously designed to combine efficiency and style, making the chair not only a functional piece of furniture but also a true design element. An excellent choice for modern work environments, where innovation blends with functional design and attention to detail.

PLASTIC FRAME
