

D.LGS. 81
del 2008

DESCRIPTION

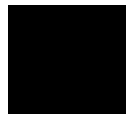

The VT chair, perfect for meeting areas and conference rooms, is designed to offer superior comfort through the use of soft and enveloping materials. Its essential and clean lines add a touch of modernity and elegance, making it an ideal choice for professional environments. The structure, armrests, and base are made of sturdy black nylon, which adds strength and a refined aesthetic, maintaining a perfect balance between practicality and style.
