del 2008

## DESCRIPTION

This monocoque chair stands out for its visible chrome frame, with armrests and base also finished in chrome, giving it a refined and contemporary appearance. Available in two versions – with a high back composed of three separate cushions with elegant stitching, or with a medium back with two cushions – it offers the perfect combination of style and comfort. The clean lines and ergonomic design make it an ideal choice for modern offices and cutting-edge conference rooms. With its attention to detail, this chair ensures a comfortable and sophisticated seating experience, enhancing any professional environment.
