DESCRIPTION

Minimalist and elegant, with chrome finishes, the WH chair family stands out for its refined horizontal stitching that defines the seat, giving it a timeless modern look. Every detail, from the choice of materials to the impeccable finishes, is designed to offer a superior comfort experience, making these chairs not only functional but also symbols of prestige and refinement. Designed to furnish office spaces with style, these chairs are available in various versions: executive for a touch of authority, guest for classy hospitality, and meeting to ensure versatility and functionality. The careful selection of fabrics broadens the upholstery options, surpassing traditional leather and adding a touch of originality and customization to work environments.
