

## DESCRIPTION

The ZHTOP collection of multifunctional seating stands out for its light and enveloping lines, creating an atmosphere of comfort and style in any environment. Available with base options in skid and four-legged versions, it offers two key aesthetic alternatives that allow for versatile and personalized combinations. These configurations promote perfect integration in various contexts, from meetings to conference rooms to innovative smart offices. The carefully considered proportions ensure these seats harmoniously fit into contemporary spaces, providing both an elegant visual impact and optimal functionality. High-quality materials and refined finishes complete the design, making these seats an ideal choice for those seeking a balance between aesthetics and practicality.
